TakeCare is a private consumer health organization delivering solutions that enhance lives. For 40 years, over 30,000 patients have trusted our brand of reliable and consistent operational excellence. We are proud of our patient-centric medical and dental healthcare coverage, and of the 350 local employees that contribute to our growth as one of Micronesia's largest health plan and healthcare services companies. We currently have a full-time opening for a **Healthcare Attorney**.

The Healthcare Attorney is responsible for interpreting the highly complex health care regulations and statutes collectively known as healthcare law, which govern the administration of health services. Advise the clinic, providers, health plan, and any other provider of healthcare on all matters affected by healthcare law including licensing, reimbursement, risk management, malpractice litigation, and general corporate management issues. Will also navigate the laws relating to Medicare and Medicaid compliance and the implementation of new technology in observance of patient privacy laws. Additionally, may craft legislative strategies.

Education: Completed a Juris Doctor degree program and passed (or about to pass) the Guam Bar examination

Applicant must have a minimum of 3-years experience working in a HealthCare Organization. Must have excellent organization, project and time management skills. A self-starter with the ability to work within a large team environment.
